A Mother's Prayer for Her Children

by Nancy Ann Yaeger

This unique book motivates a mother to specifically and intentionally pray for her children. A scripture verse and a brief prayer identify the characteristics every Christian mother yearns for her children.

Set open on her desk or kitchen counter, the book will enable a mother to pray often and memorize scripture at the same time - a practice that will have deep and long-lasting implications for both the pray-er and prayed-for.

A Mother's Prayer highlights 216 Bible verses and prayers which enable the reader to pray God's word and live God's word in faith.

"In a busy world where even minutes are squeezed, a page or two of this book each day could make a lifetime of difference for our children." -*The Rev. Dan Brumm*

"This book makes it easy for mothers to remember their children in their prayers. It also draws them closer to God as they experience the living power of scripture and prayer." -*The Rev. Luther Dale*
